2016-2017 R.E.A.D. Award – Nominations are Now Open

The R.E.A.D. Award recognizes a school or district that has demonstrated instructional excellence and dedication, using 95 Percent Group’s processes and products, to support readers who struggle. We will honor an overall winner and up to three honorable mention schools or districts.

The overall R.E.A.D. Award winner will be notified on Friday, November 10. The R.E.A.D. Award will be formally presented to the school, by a 95 Percent Group employee, on a mutually agreed upon date. We will also prepare a Case Study to document your school’s success. To nominate your school or district, please submit a response to questions #1 and #2. Please answer question #3 by using a data chart that includes your 2016-2017 BOY and EOY results. Your application should not exceed three pages.

QUESTIONS:

1. Tell us why your school is a good candidate to receive the R.E.A.D. Award?
2. Explain how your implementation of 95 Percent Group’s processes and products has led to changes in your school.
3. Please submit data that shows evidence of improvement, including at least 2 years of scores from before and after implementing RTI/MTSS. DIBELS, AIMSweb, NWEA (and others) data is recommended for inclusion. Data is limited to one page using a table similar to this:

Assessment:				
	YEAR 1: 20xx		YEAR 2: 20xx	
	BOY	EOY	BOY	EOY
Grade K				
Grade 1
