GRADE 1 - INTERVENTION

PROGRAM DESCRIPTION

The Phonics Lesson Library (PLL) is a Tier 2 and Tier 3 phonics intervention program. It is paired with the Phonics Screener for Intervention™ (PSI™) and Phonological Awareness Screener for Intervention™ (PASI™) for diagnostic and progress monitoring and small group creation. PLL is part of the One95 ecosystem that accelerates skill growth along the Phonics Continuum using explicit and systematic phonics instruction.

RESULTS

The acceleration of reading skills was very effective with the Phonics Lesson Library. By Spring 2022, 88% of students were reading at/above grade level.

The skills acquired helped many students gain **more than one year of growth** in a year, accelerating and maintaining their learning to keep them on grade level in Fall 2022 (no summer slide).

Overall Reading Level

The percentage of students On/Above grade level doubled in one year.
