## What students will learn

### Rising Grade 1

Build strong foundational skills for early readers as they develop critical milestones from letter-sound correspondences to reading and writing simple sentences. Lessons cover phonological awareness, blending, writing CVC words, reading a decodable story, and more.

### Rising Grade 2

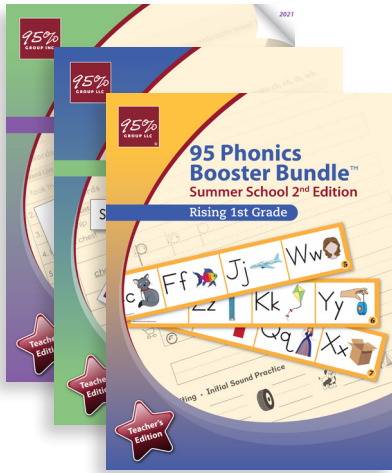

Develop student skills to master short vowels, initial 3-letter blends, simple and closed multisyllable words, and long vowel silent-e. Lessons also include sound-spelling mapping, fluency practice, transfer to text, comprehension, and morphology.

### Rising Grade 3

Guide students toward greater fluency and morphology application. The lessons cover phonics patterns, blends, silent-e, open syllables, inflected endings, predictable and unpredictable vowel teams, vowel-r, schwa, word chaining, sentence diction, morphology, and more.

EACH GRADE-LEVEL PACKAGE INCLUDES:

## Teacher's Package

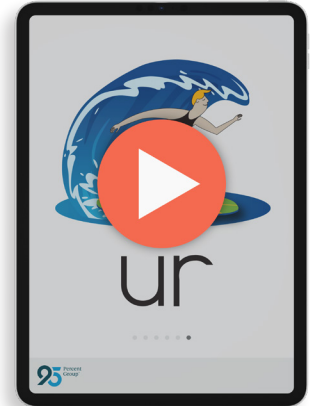

### Teacher's Edition

Full-color book with instructional dialogue and access to digital resources including teacher training.

### Teacher Manipulatives

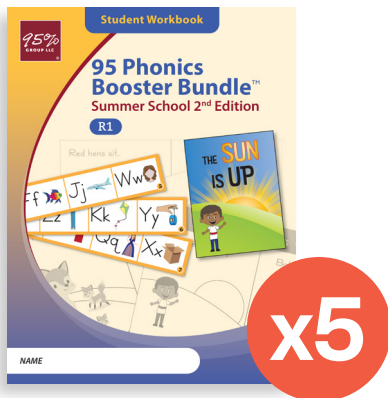

Sound-spelling cards and manipulatives customized by grade level.

### Digital Presentation

Animated digital slides that enhance engagement and provide shared practice opportunities and lesson pacing.

## Student Workbook Package

### Set of 5 Student Workbooks

Students work from a single comprehensive course book with pages for sorting words, writing dictated sentences, decodable passages, and more.

### Student Manipulatives

Reinforce concepts with manipulatives customized to grade level, including sound-spelling cards, spelling mat, and colored chips that are tucked inside the workbooks.
