Biking to the Caves

Mike	hike	bike	spike	riding	<u>our</u>
------	------	------	-------	--------	------------

Mike and Ted are planning a camping trip. 8

When they camp, they like to hike and ride their bikes. 19

Mike and Ted set off on their trip. 27

They wanted to look for a good camping spot. 36

“This is a good spot for our tents,” said Mike. 46

Mike and Ted set up their tents. 53

The sky was blue and the grass was jade green. 63

The sun was big and yellow. 69

What a day! 72

“It will be fun to ride our bikes to the lake,” said Ted. 85

“I want to check out the caves there.” 93

They were on their way to the caves.	101
Ted’s bike ran over a spike.	107
“Oh no, I will have to fix it,” Ted said.	117
They went back to their camping spot.	124
They worked on fixing Ted’s bike.	130
They got it all fixed.	135
They set off on their bikes.	141
Mike and Ted will have so much fun riding	150
their bikes to the lake and seeing the caves!	159

Biking to the Caves

5. What did Mike and Ted do after they went back to their camping spot?

A Dripping Pipe

pipe	wipe	stripes	ripe	<u>here</u>
------	------	---------	------	-------------

A big crane hit a water pipe. 7

The water pipe was dripping. 12

They called some workers in to fix it. 20

The workers had to find the crack in the pipe. 30

The crack made the water drip. 36

“Here is the crack!” said one of the workers. 45

The workers had to stop the dripping pipe. 53

They worked and worked to stop the drip. 61

It was late, and they had to wipe off all the water 73

on the pipe to fix it. 79

The workers had wide tape with yellow stripes 87

to put on the pipe. 92

The drip is fixed! 96

The workers stopped for a snack. 102

They had some water. 106

Then they had some ripe grapes and crackers. 114

The workers were glad to help. 120

It was a big job, but they got it fixed! 130

A Dripping Pipe
